10 & 15 Ton BULK TRAILER

-  **Four Wheel**
-  **Bulk Trailer**
-  **Flatbed Configuration**

The BPI low speed Bulk Trailers are reliable and durable. These Bulk Trailers are available in 10 - 15 ton models. The Bulk Trailer presents the farmer with an affordable solution of handling bulk loads of grain during harvesting. The removable sides offer the opportunity to convert into a Flat Bed Trailer during the off-season for multi-purpose use. A larger carrying capacity of 15 tons allows optimization of the cost per ton ratio by as much as 50%.
