8 & 10 Ton HEAVY DUTY TIPPER TRAILER

Heavy Duty

Four Wheel

Tipper Trailer

The BPI 4-wheel Tipper Trailer series has a compact design and has a high daily performance which is achieved due to a balanced ratio of weight and utility body volume. Multi-purpose Trailers are a solution for cheap and fast transport of all materials. The Trailers can be fitted with an expanded metal cage and Trailers can then be used for many different tasks. The Trailers are also built on a heavy duty chassis with a four-stage telescopic hydraulic cylinder.
