

# RAKES

## HAY RAKES

**Hay Gathering**

**Maximise Yield**

**Three-point Linkage**

The S-4 Wheel Straight Tine Hay Rakes is aimed at the smaller farmer. The range of Hay Rakes enables you to carry out all operations such as gathering and aerating after mowing, which will ease the baling process and maximise yield. All the machines have compact sizes and easy handling which allows for operating in all areas. These machines are available with a three-point hitch system.
