

PLANTERS

MKII 90 MECHANICAL PLANTER

Various Crops

Coulters Discs

Three-point Linkage

The MKII 90 Mechanical Planter is available in a 2- and 4-row option with mechanical markers, coulters discs, and seed sowing units. The Planter comes with a stainless steel fertilizer hopper whereby the planting is done through a coulters disc system. The Planter is mounted on the tractor's universal three-point linkage system. Different types of seeds like maize / corn, sunflower, cotton, dry beans, soy bean and chickpea can be sown.
